PRODUCT DETAILS

2 speed turntable with full automatic operation
The TN-175 plays LP, EP records. The tone arm automatically move s to play the vinyl and returns to the original position as playback finished. A VM (MM)-type cartridge AT3600L by audio technica is pre-installed to the static balanced straight tonearm at the factory, so you can start playing records as soon as you open the box.

High Quality MDF cabinet construction
Unlike others with plastic chassis, a single wooden board with MDF minimizes vibrations and resonance to playback of your vinyl record library with clearer sound.

Built in MM type Phono EQ amplifier
Enjoy vinyl playback with any amplifier regardless of the type of inputs. The TN-175 supports both Phono and Line output that allows you to play vinyl with or without a Phono pre-amp.

Authentic belt drive turntable
The plastic platter is driven by a high torque DC motor, while precision stainless steel spindle maintain accurate rotation speed.

Features at a glance

- Full automatic belt drive turntable
- Static balance straight tonearm
- High Quality MDF construction for improved resonance reduction
- Vibration absorbing rubber bumper feet
- Detachable acrylic dust cover
- Built in MM type p hono pre amplifier
- High quality MM cartridge AT3600L by audio technica pre installed
- Phono and Line outputs
- 2 speed (33/45 RPM)

Included Accessories

Specs

Product Attributes

EAN:	4907034223329
Manufacturer number:	TN-175-B
Product weight:	4.6 kilograms
Pieces per master carton:	1 Piece

Turntable Features

Type:	Fully-automatic
Drive method:	Belt-drive
Speed:	33 rpm 45 rpm
Wow & flutter:	0.2% or less
Built-in preamp:	true
S/N ratio:	67
Cartridge:	AT3600L
Cartridge type:	MM
Cartridge output:	3.5mV (1kHz, 5cm/s)
Tracking force:	3.5
Cartridge weight:	5
Including headshell:	15

Audio Outputs

Phono (MM):	1
Output level & impedance phono (MM):	2.5mV
RCA:	1
Output level & impedance RCA:	150mV

Energy Management

Power consumption:	0.2-6

Dimensions and Weight

Product height:	10.5
