The CD-P750DAB is a slot-load CD Player with FM/DAB+ tuner supporting playback from CDs, USB memory devices, SD cards and Bluetooth

### PRODUCT DETAILS

#### Slot-load CD drive mechanism

The CD-P750DAB employs a slot-load CD drive mechanism that is designed for professional audio applications. The CD drive mechanism enables users of quick loading.

#### Can play files from CDs, USB memory devices and SD cards

The CD-P750DAB supports playback from various media such as audio CD, data CD, SD card and USB memory devices, and the file formats it supports are WAV, MP3, AAC and WMA.

#### Wireless playback from Bluetooth® devices

Audio files can be played from Bluetooth® devices such as smartphones, tablets and portable music players. In addition to the general codec, SBC, the high-quality sound codecs such as AAC and Qualcomm®aptX™ HD are supported. This enables easy playback of audio files without fussing with cables or file formats.

#### Employs DAB+/FM tuner

The CD-P750DAB employs a DAB+/FM tuner. 20 each of DAB+ and FM station presets can be set. An independent tuner output connector is incorporated, enabling simultaneous playback with other media.

#### Employs an external input connector

The CD-P750DAB employs a stereo mini AUX IN connector. This enables the CD-P750DAB to play audio from portable music players without Bluetooth®.

#### Enables dubbing of audio from a CD or tuner to a USB memory device or SD card

Audio from an audio CD or tuner can be dubbed to an SD/SDHC card or USB memory device using only the CD-P750DAB – no need for a computer. Just press the dubbing button and play the audio to start dubbing.

#### What's in the box

- AC power cord
- Remote control (RC-1336)
- FM antenna
- Owner's manual

## Specs

### Product Attributes

EAN:	4907034223909
Manufacturer number:	CD-P750DAB-B
Product weight:	4.5 kilograms

### Audio Codecs & Formats

CD formats:	CD CD-R CD-RW
Supported file formats:	MP3 WMA WAV
Bluetooth codecs:	AAC SBC AAC aptX HD aptX
Bluetooth version:	5.1

### Energy Management

Power consumption:	20
--------------------	----

### Audio Outputs

6.3mm jack:	1
Power & impedance 6.3mm jack:	20mW + 20mW (THD+N 0.1% or less, into 32 load)
Coaxial:	1
Optical/Toslink:	1
RCA:	2
Output level & impedance RCA:	-10dBV (0.316Vrms) to +6dBV (2.0Vrms). 200.
USB 2.0:	0

### Dimensions and Weight

Product height:	5.88
Product width:	48.26
Product length:	29.71
Product weight:	3.6
Packsize height:	29
Packsize width:	50
Packsize length:	64.5
Packaged weight:	16

### Control Methods
